## **XI INTERNATIONAL ART CONTEST**

under the patronage of the Marshal of Lublin province,  
of the Lublin Chancellor of Education  
and the Mayor of the City of Lublin

### **"MYSTIC LANDSCAPES"**

#### **The architecture of Lublin and its surroundings**

Organizer:

School and Kindergarten Team Number 1 in Lublin - POLAND

Caritas of the Archdiocese of Lublin

District Cultural Center "Bronowice" in Lublin

Competition objectives:

- promoting landscapes of Lublin province
- Learning about monuments and architecture of Lublin and its surroundings
- To become interested in different forms and systems of buildings
- Expressing one's own emotions and feelings in contact with architecture of our ancestors by means of plastic arts
- Acquiring the ability of discovering unreal meaning in unusual and common places
- Promoting young art talents

The competition is intended for students aged 6-15;

Works will be judged in two age categories:

- I) classes I- III (6-9 years old)

II) classes IV-VIII (10-15 years old)

- the technique of works is free on **A3** page
- the schools taking part in the contest can send maximum 5 works in every age category
- works must be described: the title of work, author's name, class, address, phone number, school's email address, leading teacher's name,
- works: spatial, of collective authorship, rolled up or destroyed won't be taken into consideration
- the costs of dispatch and its delivery is covered by sender
- works won't be returned and remain at organizer's disposal
- **taking part in the contest means that the rules are accepted and there is agreement for presentation and reproduction of works and the names of the authors and their caregivers,**

Works should be send by **1 March 2024** to address:

**Zespół Szkolno-Przedszkolny nr 1**
